Panasonic Announces Reorganization and Integration of System Business and Fixed-line Communications Business through Business Division

Osaka, Japan, August 3, 2009 -- Panasonic Corporation (Panasonic [NYSE: PC]) today announced that its Board of Directors has decided that Panasonic will transfer the rights and obligations with respect to the business of System Solutions Company (System Company), its internal division company, to Panasonic Communications Co., Ltd. (PCC), its wholly-owned subsidiary, through business division.

Panasonic aims to strengthen the system networking business by integrating the system business and the fixed-line communications business toward global growth of B to B system business, in which the visual and communications businesses have been integrating under the further progress of IP networks. Details of the business division are outlined below.

1. Purpose of Business Reorganization and Integration

System Company has an edge in the visual business while PCC has an advantage in the communication business. In response to a shift from analog to digital, Panasonic will reorganize and integrate System Company and PCC to promote effective operation of management resources and management structure improvement. Panasonic will accelerate a new phase of the solution business which unifies sound, image, visual and data in IP networks, and enhance profitability and expand global business mainly in emerging countries.

2. Details of Business Division

Panasonic will transfer the rights and obligations with respect to the business of System Company to PCC through business division as of January 1, 2010 (planned). Accordingly,

PCC plans to change its trade name to Panasonic System Networks Co., Ltd. as of January 1, 2010.

[Basic information of Panasonic System Networks Co., Ltd. (planned)]

Trade name: Panasonic System Networks Co., Ltd.
Principal office: Meguro-ku, Tokyo, Japan
Effective date of reorganization: January 1, 2010
Principal line of business: Development, manufacture and sale of PBX, IP related equipment, business telephone systems, monitoring and security cameras, AV equipment for business use, accounting and authentication system terminals, document related equipment, devices, etc.

(1) Schedule

Resolution of Board of Directors on business division agreement	Late September, 2009 (planned)
Signing of business division agreement	Late September, 2009 (planned)
Effective date of business division and transfer	January 1, 2010 (planned)

Note: The business division will be conducted through the simplified procedures provided under the Company Law of Japan, by which resolutions of the shareholders' meetings of Panasonic and PCC will not be required.

(2) Method of business division

Panasonic will divide a certain part of its business and PCC will succeed to the divided business.

(3) Reduction of capital stock as a result of this business division

There shall be no reduction of capital stock as a result of this business division.

(4) Treatment of stock acquisition rights and convertible bonds

There are no stock acquisition rights or convertible bonds issued by Panasonic.

(5) Rights and obligations to be succeeded to

The rights and obligations with respect to the business of System Company such as its assets and liabilities will be transferred to PCC. The following parts will not be succeeded to by PCC and will remain with Panasonic.

- a) The rights and obligations for management tasks of branch offices of Panasonic
- b) The rights and obligations for management tasks of construction business safety control department of Panasonic

(6) Prospects for paying debt obligations

Panasonic believes that each of Panasonic and PCC will be able to fulfill its obligations which need to be performed after the effective date of the business division and transfer.

Disclaimer Regarding Forward-Looking Statements

This press release includes forward-looking statements (within the meaning of Section 27A of the U.S. Securities Act of 1933 and Section 21E of the U.S. Securities Exchange Act of 1934) about Panasonic and its Group companies (the Panasonic Group). To the extent that statements in this press release do not relate to historical or current facts, they constitute forward-looking statements. These forward-looking statements are based on the current assumptions and beliefs of the Panasonic Group in light of the information currently available to it, and involve known and unknown risks, uncertainties and other factors. Such risks, uncertainties and other factors may cause the Panasonic Group's actual results, performance, achievements or financial position to be materially different from any future results, performance, achievements or financial position expressed or implied by these forward-looking statements. Panasonic undertakes no obligation to publicly update any forward-looking statements after the date of this press release. Investors are advised to consult any further disclosures by Panasonic in its subsequent filings with the U.S. Securities and Exchange Commission pursuant to the Securities Exchange Act of 1934.

The risks, uncertainties and other factors referred to above include, but are not limited to, economic conditions, particularly consumer spending and corporate capital expenditures in the United States, Europe, Japan, China and other Asian countries; volatility in demand for electronic equipment and components from business and industrial customers, as well as consumers in many product and geographical markets; currency rate fluctuations, notably between the yen, the U.S. dollar, the euro, the Chinese yuan, Asian currencies and other currencies in which the Panasonic Group operates businesses, or in which assets and liabilities of the Panasonic Group are denominated; the possibility of the Panasonic Group incurring additional costs of raising funds, because of changes in the fund raising environment; the ability of the Panasonic Group to respond to rapid technological changes and changing consumer preferences with timely and cost-effective introductions of new products in markets that are highly competitive in terms of both price and technology; the possibility of not achieving expected results on the alliances or mergers and acquisitions; the ability of the Panasonic Group to achieve its business objectives through joint ventures and other collaborative agreements with other companies; the ability of the Panasonic Group to maintain competitive strength in many product and geographical areas; the possibility of incurring expenses resulting from any defects in products or services of the Panasonic Group; the possibility that the Panasonic Group may face intellectual property infringement claims by third parties; current and potential, direct and indirect restrictions imposed by other countries over trade, manufacturing, labor and operations; fluctuations in market prices of securities and other assets in which the Panasonic Group has holdings or changes in valuation of long-lived assets, including property, plant and equipment and goodwill, deferred tax assets and uncertain tax positions; future changes or revisions to accounting policies or accounting rules; as well as natural disasters including earthquakes, prevalence of infectious diseases throughout the world and other events that may negatively impact business activities of the Panasonic Group. The factors listed above are not all-inclusive and further information is contained in Panasonic's latest annual report on Form 20-F, which is on file with the U.S. Securities and Exchange Commission.
