Notes: 1. Outline of Reportable Segmentation

-The Panasonic Group divides its reportable segments into the following six segments: "Connect," "Electric Works," "HVAC & CC," "Energy," "Industry" and "Smart Life."

-"Other" is for other business activities which are not included in the above-mentioned reportable segments, including sales of raw materials.

2. Transactions between segments have been conducted at arm's length prices.
Segment profit is calculated based on operating profit.

3. The figures in "Eliminations and adjustments" include eliminations of intersegment transactions, adjustments of profits and losses which are not attributable to any segments, and consolidation adjustments.
